

INDEX TO VOLUME 115

A

- Abdominal (Interinnomino) Amputation, 435;
Surgery, The Problem of Intestinal Gases Complicating, 921
- Abducens Nerve (VI) Paralysis Following Spinal Anesthesia, 864.
- Aberrant Thyroids, Lateral, 161.
- Abscess of Uncommon Origin, Brain: Relation to Osteomyelitis of the Skull, 336; The Effect of the Sulfonamides on the Prevention of Experimental Brain, 39; With Special Reference to Operative Handling of—Appendiceal Peritonitis, 228.
- Acoustic Tumors, 849.
- Action of Roentgenotherapy upon Infection, The Mechanism of, 996.
- Activities of Division of Professional Service, Report on, 892.
- Acute Hematogenous Osteomyelitis, 790.
- ADAMS, E. LAWRENCE: An Improved Biopsy Punch, 880.
- Adenoma of the Pancreas, 363.
- ALLEN, ARTHUR W.: Gastric Resection for Duodenal Ulcer, 530.
- ALTEMEIER, WILLIAM A.: Ileus Following Fractured Ribs, 32; Infected Burns with Hemorrhage, 1118.
- Amino-Acids, Intravenous Injections of, in Post-operative Patients, (Hydrolyzed Casein), 1160.
- Ampullary Region, The Surgery of Carcinoma of the Pancreas and, 1066.
- Amputation, Hindquarter (Interinnomino-Abdominal), 628; Interinnomino-Abdominal, 435.
- Anatomy of the Attachments of the Diaphragm; Their Relation to the Problems of the Surgery of Diaphragmatic Hernia, 745.
- ANDRUS, WILLIAM DeWITT: Tests of Hepatic and Pancreatic Function in the Differential Diagnosis and Preparation of Patients with Lesions of the Biliary Tract, 1015.
- Anesthesia Infiltration with Controlled Fractional Spinal; Controlled Fractional Spinal Combined with Infiltration, 156; Spinal, Paralysis Following, Abducens Nerve (VI), 864.
- Angina Pectoris, Reflexes Originating in the Common Duct Giving Rise to Pain Simulating, 1055.
- Ankle Joint, Neuropathic Arthropathy of the, Resulting from Complete Severance of the Sciatic Nerve, 267.
- Ankles, Sprained, 654.

ANNALS OF SURGERY NOTICE OF SPANISH EDITION, 881.

- Anomalous Distribution of the Extrahepatic Biliary Ducts, 472.
- Antisepsis, Intestinal, with Sulfonamides, 829.
- Aorta, Successful Experimental Ligation and Division of the Thoracic, 596.
- APPELBAUM, EMANUEL: Masked Hyperthyroidism, 184.
- Appendicitis in Infants and Children, 945.
- Appendiceal Peritonitis, The Management of—With Special Reference to Operative Handling of the Localized Abscess, 228.
- Appendix, Congenital Malformations of the—A Familial Disease, 21.
- Arteriosclerosis, Peripheral, 292.
- Arthropathy of the Ankle Joint Resulting from Complete Severance of the Sciatic Nerve, Neuropathic, 267.
- Autoplastic Transplantation of Splenic Tissue, in Man, Following Traumatic Rupture of the Spleen, 84.
- Award, Urology, 291.

B

- BAKER, D. D. L.: Anatomy of the Attachments of the Diaphragm: Their Relation to the Problem of the Surgery of Diaphragmatic Hernia, 745.
- BANCROFT, FREDERIC W.: Improved Methods in Extremity Amputations for Diabetic Gangrene, 621.
- BEACH, ASA: Sebaceous Gland Carcinoma, 258.
- BECK, CLAUDE S.: Further Observations on Stab Wounds of the Heart, 698.
- BELL, JOSEPH C.: Sarcoma of the Small Intestine, 544.
- Benign Multiple Chorionic Villi Implants in Peritoneal Cavity Accompanied by Hemoperitoneum, An Unusual Case of, 93.
- BENSON, CLIFFORD D.: Appendicitis in Infants and Children: A Fifteen-Year Study, 945.
- Bile Peritonitis, 240.
- Biliary Ducts, Anomalous Distribution of the Extrahepatic, 472; Fistula, Spontaneous Internal, 1043; Surgery, Vitallium Tubes in, 1031; Tract, Tests of Hepatic and Pancreatic Function in the Differential Diagnosis and Preparation of Patients with Lesions of the, 1015.
- BINGHAM, C. T.: Adenoma of the Pancreas, 363.
- Biopsy Punch, An Improved, 880.
- BISGARD, J. DEWEY: The Mechanism of Action of Roentgenotherapy upon Infection, 996.

- Black Widow Spider Bite, 249.
- BALLOCK, ALFRED: The Uniform Production of Experimental Shock by Crush Injury: Possible Relationship to Clinical Crush Syndrome, 684.
- Blood Histamine in Cases of Burns, Studies on the, 390; Substitutes in the Army, Procurement and Use of, 1152.
- BOLAND, FRANK K.: Vitamin Deficiency as a Factor in the Etiology of Surgical Diseases of the Digestive System, 939.
- Bone Graft Methods in Bone and Joint Surgery, Choice of, 427.
- BOOK REVIEW: Skin Grafting, Reviewed by Walter Estell Lee, 720.
- BOOKS RECEIVED: 159.
- BOWERS, RALPH F.: Surgical Treatment of Malignant Lesions of the Sigmoid—With Extension, 986.
- BRADLEY, E.: Intravenous Injections of Amino-Acids (Hydrolyzed Casein) in Postoperative Patients, 1160.
- BRADY, LEO: The Treatment of Trichomonas Vaginalis Vaginitis, with the Lactobacillus, 840.
- Brain Abscess: of Uncommon Origin—Relation to Osteomyelitis of the Skull, 336; The Effect of the Sulfonamides on the Prevention of Experimental, 39.
- Breast, Metastatic Tumors in the, 47.
- BREIDENBACH, LESTER: Masked Hyperthyroidism, 184.
- BRIGGS, CRENSHAW D.: Malignant Tumors of Synovial Origin, 413.
- BROWN, JAMES BARRETT: Epithelial Healing And The Transplantation of Skin, 1166; Massive Repairs of Burns with Thick Split-Skin Grafts, 658.
- BROWN, ROSWELL K.: Rupture of the Colon by Compressed Air, 13.
- BROWNE, J. S. L.: Studies on the Blood Histamine in Cases of Burns, 390.
- BRUGER, MAURICE: Iodine Metabolism in Thyroid Disease, 206.
- BRUNSWIG, ALEXANDER: Postoperative Nitrogen Loss and Studies on Parenteral Nitrogen Nutrition by Means of Casein Digest, 1091.
- Burns, A Simple Method for Estimating Plasma Protein Deficit After Severe, 1125; Clinical and Experimental Studies with the Koch Method of Treatment of Heat, 1106; Massive Repairs of, with Thick Split-Skin Grafts, 658; Recent Trends in the Therapy of, 1131; Studies on the Blood Histamine in Cases of, 390; The Local Treatment of Thermal, 1140; with Hemorrhage, Infected, 1118.
- BUSH, JASPER D.: Autoplastic Transplantation of Splenic Tissue, in Man, Following Traumatic Rupture of the Spleen, 84.
- Calcified Intracerebral Hematoma, 465.
- Calculi, Ureteral, The Management of, 309.
- Cancer: of the Rectum, Extension of the Border Line of Operability in, 566; Studies on Prostatic, 1192.
- CANNADAY, JOHN E.: The Use of the Cutis Graft in the Repair of Certain Types of Incisional Herniae and other Conditions, 775.
- CANTOR, MEYER O.: A Study of the Weight of the Celiac Ganglion and its Relationship to Essential Hypertension, 400.
- Carcinoma of the Pancreas: and Ampullary Region, Surgery of, 1066; Obstructive Jaundice Due to: The Choice of Operative Procedure, 25; Ulcerating? or Carcinomatous Ulcer, Gastric Ulcer, 521; Sebaceous Gland, 258.
- Carcinomatous Ulcer or Ulcerating Carcinoma? Gastric Ulcer, 521.
- CAROTHERS, RALPH G.: Sprained Ankles, 654.
- CARTER, B. N.: Infected Burns with Hemorrhage, 1118.
- Casein, Hydrolyzed, Intravenous Injections of Amino-Acids in Postoperative Patients, 1160.
- Catgut and Preserved Ox Fascia Lata Strips, Tissue Reaction to Ribbon, 1186; Sensitivity and Its Relation to Wound Healing, The Problem of, 141.
- CATTELL, RICHARD B.: Closure of Ileostomy in Ulcerative Colitis, 956.
- Celiac Ganglion and its Relationship to Essential Hypertension, A Study of the Weight of the, 400.
- CHARACHE, HERMAN: Metastatic Tumors in the Breast, 47.
- Children and Infants, Appendicitis in, 945; Diaphragmatic Hernia of, 705.
- Chin and Jaw, Deformed, 869.
- Choice of Bone Graft Methods in Bone and Joint Surgery, 427.
- Chorionic Villi Implants in Peritoneal Cavity Accompanied by Hemoperitoneum. An Unusual Case of Benign Multiple, 93.
- CHURCHILL, EDWARD D.: Transthoracic Resection of Tumors of the Stomach and Esophagus, 897.
- CLARK, DWIGHT E.: Postoperative Nitrogen Loss and Studies on Parenteral Nitrogen Nutrition by Means of Casein Digest, 1091.
- Clinical and Experimental Studies with the Koch Method of Treatment of Heat Burns, 1106.
- Closure of Ileostomy in Ulcerative Colitis, 956.
- COLEMAN, CLAUDE C.: Treatment of Compound Fractures of the Skull, 507.
- Colitis, Closure of Ileostomy in Ulcerative, 956.
- COLLINS, JOSEPH D.: A Method of Disposal of the Sac in Operations for Oblique Inguinal Hernia, 761.
- Colon, Rupture of the, by Compressed Air, 13.

- Combined Infiltration Anesthesia with Controlled Fractional Anesthesia in Substandard Risks, 156.
Compound Fractures of the Skull, Treatment of, 507.
COMROE, JULIUS H., JR.: Correspondence, 160.
Congenital Absence of the Gallbladder, Surgical Aspect of the, 736; Malformations of the Appendix—A Familial Disease, 21.
CORRESPONDENCE, ON Tumors of the Carotid Bodies, B Julius H. Comroe, Jr., 160.
CONVERSE, JOHN MARQUIS: Early Skin Grafting in War Wounds of the Extremities, 321.
CRAIN, ALFRED P.: Acute Hematogenous Osteomyelitis, 790.
Cutis, Graft in the Repair of Certain Types of Incisional Herniae and other Conditions, The Use of, 775.
